

Unity Paintball!!!

What to Bring

- Clothes to get dirty and painty in.
- You will be getting hit by paint in what you choose to wear, so long sleeves and pants are a good idea.
 - I would recommend trying to find some used BDUs (Army Fatigues).
 - Old shoes
 - A water bottle!!!!
 - A change of clothes and deodorant for after the games. You will stink afterwards, and I don't want that in my car-we're putting your clothes in the trunk!

What NOT to Bring

- The following things are **included in the package** that we bought, so you don't need to bring them: paintball gun and accessories, mask, paintballs.
 - Nice clothes or shoes
