Here are a few things about myself; I am a Psychology major at Eastern University. I grew up in GPC and I am really happy to be working here this summer! I am going into my senior year of college which I am super excited about! Music and theater are a large part of my life, and its even more exciting when they are together. Hey guys, I am SOOOOO pumped for this summer! I'm Josh, and Caitlin and I are mad excited to be hanging out with all y'all in Unity this summer. We are going to have an awesome time at Great Escape and at The Pittsburgh Project, but we'll also be doing lots of other cool stuff to have fun more locally. I hope you all come to Impact and Unity Nites. I can't wait to get to know you guys. As for me, I've grown up in Fayetteville, North Carolina all of my life and I now go to school at Eastern University (go figure, I know) near Philadelphia, PA, where I am majoring in Youth Ministry. I love Christian hardcore and rock music, and I also enjoy video games. Also, I welcome all invitations to play ping-pong :D I look forward to having a Seriously Ridiculous Summer with you guys!
