

## **Citrus Iced Green Tea**

*The Baur Family*

Yields 8 servings

3/4 C orange juice

1/4 C lemon juice

2 T lime juice

1 (64 oz) bottle organic, unsweetened green tea

(If you're a fan of sweet tea, add 1/3 C sugar)

Ice, for serving

Fresh mint for garnish (really makes a nice difference)

- 
1. In a large measuring cup or small pitcher, stir together the orange juice, lemon juice, and lime juice. (If adding sugar, add it now and stir until it dissolves.)
  2. Pour the green tea into a large pitcher and stir in the citrus mixture.
  3. Serve over ice with mint to garnish.

*Just a little different and very refreshing!*
